Made in Barausse

Since 1967, Barausse has specialized in the production of interior doors which are 100% designed and manufactured in Italy. Barausse develops and offers furnishing solutions for the purpose of creating a separate space which is both functional and prestigious with a high esthetical value. The result is both a beautiful and comfortable place to live. Thanks to multiple certifications of our fire rated doors, the ability to design bespoke products and our over thirty years of experience in the contract field, Barausse is able to provide worldwide a high quality product for luxury hotels, for public buildings, high end residential and private homes.
